### Short Bio

Solmâne is a Portuguese independent rock band from Braga, formed in 2024. Built around a DIY spirit, the project combines melodic intensity, alternative textures and raw live energy. The band has become a regular presence in the university music circuit in Braga, with recurring performances at Okulto Bar and participation in AAUMinho Unplugged events.

### Band Story

The group was co-founded by Alexandre Fernandes, Nuno Leite, Bruno Coelho and Rodrigo Silva. Since its beginnings, Solmâne has handled creation, production and online presence in-house. Their first release, *Demos da Lage* (2025), captured the early sound of the band through an independent, experimental process.

**Founding members:** Alexandre Fernandes, Nuno Leite, Bruno Coelho, Rodrigo Silva.

## Current Lineup

- Nuno Leite — Vocals
- Alexandre Fernandes — Drums
